Sir,

Sub: A L L O W A N C E - Woman Medical Officer I Grade - (Maternity & Child Health) - Mangalore Municipality conveyance allowance - enhanced rate of Rs.50 p.m. - payment of - sanction - requested

The Public Health Establishment (Local Authorities) Regulations 2 and 2A of 1940 as amended provide payment of conveyance allowance at the rate of Rs.19/- per month and Rs.30/- per month if a motor car is maintained with the consent of the Municipal Council under rule 2 of P.H.Regulation to Medical Officer (Maternity & Child Health) Grade I employed by the Municipal Council.

Dr. Kumari G. Radha, M.B.B.S., Medical Officer I Grade (Maternity & Child Health) in this municipality is being paid conveyance allowance at Rs.19/- per month. This municipality maintains six Maternity & Child Health centres and a regular Maternity Home with four beds at Jeppoo. They are located at different parts of the town. The Woman Medical Officer is generally required to attend one centre each day and work in the morning till 11 A.M. and in the afternoon she has to attend the Maternity Home four days in a week. These daily rounds make her cover a distance of about 9 to 10 miles.

She has requested for reasons represented in her petition (copy enclosed) for an enhancement of the conveyance allowance from Rs.19/- to Rs.50/- per month. The Municipal Council in its resolution No.1280 dated 27-8-1955 has recommended payment of conveyance allowance at Rs.50/- per month to the Medical Officer.

A copy of C.R.No.1280 dated 27-8-1955 is enclosed. I request that Government may be pleased to accord early sanction.

Forwarded with the recommendation in next page -

CHAIRMAN, M. C..

COMMISSIONER.

Forwarding note

The Municipality has an area of about 9 sq miles. To visit the various centres and to do surprise checks and attend the Maternity Home as frequently as may be necessary the W.M.O. requires a speedy transport. To employ an auto rick or a taxi and go about atleast an allowance of Rs 50/- is necessary. It may also be borne in mind that the scale of pay of the W.M.O has been reduced by the Government by Rs 50/-. Unless the allowance recommended by the Council is sanctioned by the Government, I feel that the work will suffer; and this I say from my past experience. Therefore I strongly recommend the Council's proposal

Petition dated 9-8-1955 from Dr. Kumari G. Radha, Medical Officer Ist Grade (Maternity & Child Health) requesting enhancement of the conveyance allowance from Rs.19/- to Rs.50/- per month for reasons stated therein.

Her request may be favourably considered and decided.

Note: The Woman Medical Officer is being paid conveyance allowance at Rs.19/- per month as prescribed in the P.H.Regulations which provide payment of conveyance allowances to Medical Officer I Gr. (Maternity & Child Health) at Rs.19/- per month for hired judka and at Rs.30/- per month if a motor car is maintained with the consent of the Municipal Council. Government sanction is required if the allowance is proposed to be enhanced.

COUNCIL RESOLUTION No.1280 DATED 27-8-1955.

IN VIEW OF THE CIRCUMSTANCES MENTIONED IN THE APPLICATION THE COUNCIL RECOMMENDS A CONVEYANCE ALLOWANCE OF Rs.50/- PER MONTH.

Copy of petition dated 6th August 1955 from Dr. G. Radh[redacted]
Woman Medical Officer, Mangalore Municipality to the Mun[redacted]
Health Officer, Mangalore.

Subject: Enhancement of conveyance allowance.

You are aware that I am allowed a certified conveyance allowance of only Rs.19/- per mensem. This I submit is inadequate having regard to the following facts:-

The Municipality is running six Maternity and Child-Welfare Centres, besides a regular Maternity Home with four beds at Jeppu. The centres are situated at an average distance of not less than two miles from my residence, and the Maternity Home at a distance of three miles. I am required to attend one centre each day and work in the mornings till 11 a.m. In the afternoon I am to attend the Maternity Home four days in a week and the remaining days of the week I attend my office at Hampankatta. These daily rounds make me cover a distance of not less than 9 to 10 miles. I have been constrained to use an auto-rik, the cheapest and fast available conveyance to visit the various centres, the Maternity Home, house visits on inspection to check the work of the Maternity staff. There will be considerable loss of time in waiting for and catching the city buses, and in the interest of an efficient discharge of my duties I have to use a conveyance. Thus I am compelled to incur daily a minimum expenditure of rupees three to four which can hardly be met out of the modest allowance of rupees nineteen.

In the case of the Maternity House it has become necessary for me to pay two to three extra visits per week, to attend the emergency cases. These visits can never be undertaken in the City Bus. The number of visits is also likely to increase with a better working of the Maternity Home and there is always the necessity of paying visits at all odd hours and even at nights. Re: the centres, to keep a proper check over them I am required to pay surprise visits which could be done only outside my visiting hours to the centres as scheduled every day and this involves an extra expenditure.

P.T.O.

[redacted]lary is a modest sum of Rs.200/- which is Rs.50/- less than that of my predecessor. Under the present circumstances I have been force[redacted] to spend not an unsubstantial portion of my salary for my daily visits.

I therefore request you to consider all the above facts, and move for an enhancement of my conveyance allowance from Rs.19/- to Rs.50/- a month when conveyance is hired.

Yours faithfully,

Sd. .....

The file deals with the request of the Municipal Council, Mangalore for the payment of an increased Conveyance allowance of Rs 50 p.m to the Woman Medical Officer in the m'pty. It is represented that the Medical Off^r (Spec.II) is at present being paid a Conveyance allowance of Rs 19 p.m in accordance with the P.H Estt. regulations and that this amount is hardly sufficient to meet the Conveyance charges of the doctor. The Md has therefore recommended an enhanced Conveyance allowance of Rs 50 p.m to the Woman Medical Off^r. The Chairman has also strongly supported the resolⁿ. The D.P.H has also recommended the Council's proposal.

It is submitted in this connection that the question of enhancing the rate of Conveyance allowance granted to the Women Medical Officers was considered during 1954

Vide G.O 68 L Amn 24/3/54

Vide the discussions at pp 13-17 N.F of G.O 682 Health dated 22.3.54. It was finally decided in Circulation that there was no justification for granting increased Conveyance allowance to the Medical Officers (Note-11) A Similar request made by the Kozhikode Municipality was also not approved in view of the points put forth in the note of the Finance Department on pp 2-4 N.F of G.O/Ms 452 Health dated 4.2.55.

In the foregoing circumstances, it is for Consideration whether the present request of the Mangalore Municipality may also be turned down, or whether the request may favourably Considered in view of the recommendation of the Municipal chairman and the D.P.H.

Finance may see for remarks.

What is the financial position?

The financial position of the Mangalore Municipality is satisfactory. On the basis of the B.E for 1955-56 the general Account of the Municipality is expected to work at a surplus of Rs. 1,36,000/- In 1954-55 also the general Account worked at a surplus of Rs. 1,42,360/-.

Apparently Asst. Secy refers to G.O Ms no 4442 Health dated 28.12.57 which is put up at (A). A Conveyance allowance of Rs 75 p.m was granted to the M.H.O Mangalore in view of the peculiar geographical nature of the town. It seems but just that the same concession may be extended to the Medical Officer (Retd) and she may be allowed a conveyance allowance of Rs 50 p.m as resolved by the Govt. For orders.

The proposal at 'S' above may be agreed to subject to the remarks that the rate of Conveyance allowance may be Rs. 38 p.m. as in the case of the Woman Asst. Officer, Engineering Deptt. As she is not maintaining a motor car, a lower rate of allowance is not justified. It is presumed that the W.H.O, Kasaragod is not maintaining a Conveyance.

The D. P. H. has stated that the Medical Officer (Maternity & Child Health) is maintaining a car for which she is drawing an allowance of Rs 387/- per month. p 9 cr

It is stated that under the rules, the petitioner in this case can be paid conveyance allowance at the rate of Rs 191/- per month and Rs 30/- p.m. if a motor car is maintained. To pay the Rs 387/- p.m. without any obligation to maintain a car is clearly too much, as that is the rate which is drawn by the Medical Officer (M & C-H), who is actually maintaining a car. Finance may perhaps agree that Rs 30/- p.m. being paid as conveyance allowance to the officer in this case, without any condition regarding the maintenance of a conveyance. This in itself is a big concession as the rate of Rs 30/- p.m. can be paid only when the officer maintains car. p 9 cr

Summary.

The Municipal Council, Mangalore has requested sanction of Govt. for increasing the rate of conveyance allowance paid to the Woman Medical Officer (Maternity and Child Health) in the municipalt from Rs.19/- to Rs.50/- p.m. It is reported that the municipality is maintaining six Maternity centres and a Maternity Home, that they are located in different parts of the town and that the present rate of conveyance allowance is hardly sufficient to meet the conveyance charges of the Doctor. The Chairman, Municipal Council, Mangalore and the D.P.H. have therefore supported the resolution of the Municipal Council for the enhancement of the rate of conveyance allowance. It was proposed in this Department that the Woman Medical Officer may be allowed a conveyance allowance of Rs.50/- p.m. as proposed by the Municipal Council. But Finance Department have suggested that Rs.30/- p.m. may be paid to the Woman Medical Officer as conveyance allowance without any condition regardir the maintenance of a conveyance, as the officer is entitled to the increased allowance only if she maintains a car, as per Regulation Nos. 2 and 2A ~~under~~ the Public Health Establishment Regulations. They have also cited the case of the Kozhikode Municipality where the Woman Medical Officer is paid a conveyance allowance of Rs.38/- p.m. for the maintenance of a conveyanae (car).

2. In the circumstances, it is for ~~Kar~~ orders whether the suggestion of Finance to increase the rate of conveyance granted to the Woman Medical Officer in the Mangalore Municipality to Rs.30/- p.m. may be accepted. Subject

to orders, a draft order is submitted for consideration.

It may issue after circulation to M(H) and M(LA)
